

215384 Mount with tilt swivel

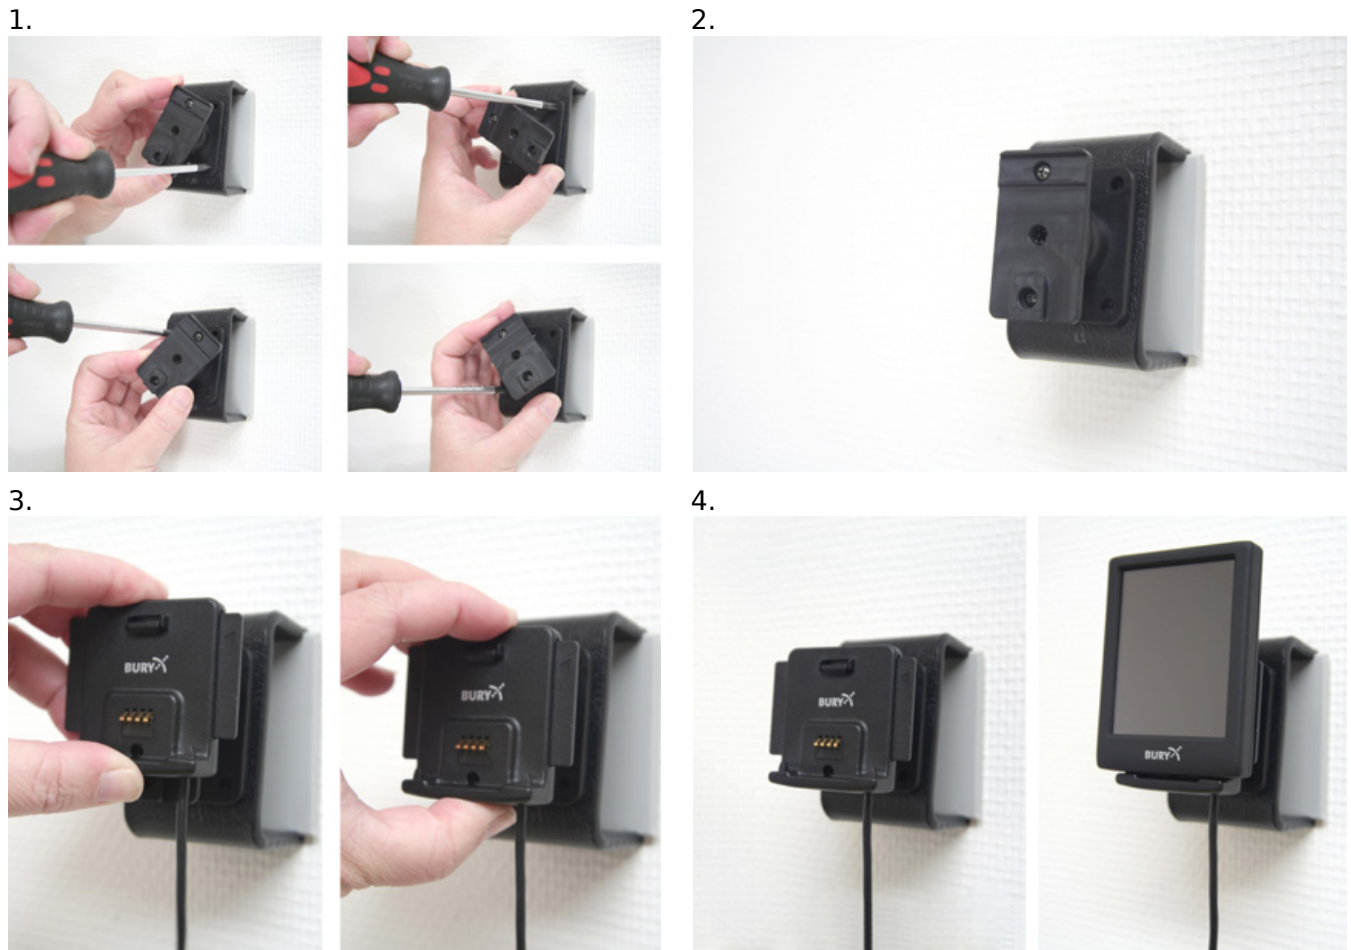

Used for installation of a display for Bury CC9060 onto a ProClip Mounting Platform instead of onto a vertical surface. You can adjust the display in order to avoid light reflection. The cable can point downward or backward in desired angle. Is to be used with the original mount that comes with the device. Attach onto ProClip Mounting Platform.

EAN: 7320282153847

Item no 215384 fits:

Bury CC9060 (For all countries)

INSTALLATION INSTRUCTIONS

Please read all of the instructions and look at the pictures before attaching the mount.

1. Screw the mount into place with the enclosed screws.
 2. To attach the device onto the mount: Place the device above the mount and press/slide it downward onto the mount.
 3. To remove the device from the mount: Pull the device straight upward, away from the mount.
 4. The mount is in place.
